

THE 8

COUPÉ SPECIFICATION GUIDE.

MODEL OVERVIEW.

840i M Sport Package

Model Code: AE22
8-speed Steptronic Sport transmission
2,998 cc, 6-Cylinder
250 kW / 500 Nm

Fuel Type: Petrol
Consumption: 7.7 l / 100km ¹
CO₂: 176 g / km ¹
0-100kmh: 5.0 sec

M850i xDrive

Model Code: BC42
8-speed Steptronic Sport transmission
4,395 cc, 8-Cylinder
390 kW / 750 Nm

Fuel Type: Petrol
Consumption: 10.4 l / 100km ¹
CO₂: 238 g / km ¹
0-100kmh: 3.7 sec

¹ Fuel consumption, CO₂ emissions data, electrical consumption and range is based upon Combined Driving Test Cycle in accordance with ADR 81/02 on purpose built test vehicles. Actual figures will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's equipment, condition and use. These figures should not be expected to be achieved in real world driving conditions and should only be used for comparing one vehicle with another. Please contact your preferred authorised BMW dealer or BMW Group Australia for information on vehicles that are available for sale, and the various specifications and options of vehicles that are available.

While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations and specifications contained in these materials are accurate at the time of publication (July 2021), the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with information from authorised BMW dealers. To the extent permitted by law, BMW Group Australia excludes all express and implied warranties or guarantees and all liability, whether direct, indirect, special or consequential, arising from negligence or otherwise relating to the use of these materials, any inaccuracies and for any noncompliance by any vehicle with any representation, illustration, specification, description, product feature, colour, or other information contained in these materials.

STANDARD EQUIPMENT.

840i M Sport Package

Model Code: AE22
8-speed Steptronic Sport transmission
2,998 cc, 6-Cylinder
250 kW / 500 Nm

Fuel Type: Petrol
Consumption: 7.7 l / 100km¹
CO₂: 176 g / km¹
0-100kmh: 5.0 sec

Engine, powertrain and technology

- TwinPower Turbo 6-cylinder petrol engine
- 8-Speed Steptronic Sport automatic transmission with gearshift paddles
- Sport exhaust system
- Adaptive M Suspension
- Integral Active Steering
- M Sport differential, electronically controlled limited slip differential
- Driving Experience Control with Adaptive mode, includes SPORT+, SPORT, COMFORT, ECO and ADAPTIVE modes
- Auto Start/Stop function
- Brake pad wear indicator
- Electric power steering with Servotronic
- BMW Carbon Core, consisting of centre tunnel with carbon elements
- BMW Active Air Stream kidney grille

Safety

- Active Protection
- Airbags, 8 in total: front, full-length sides and head protection on the sides and in headliner, knee airbags front
- Alarm System
- Central locking with electronic immobiliser
- Dynamic braking lights
- Dynamic Stability Control (DSC), Anti-lock Braking System (ABS), Braking Assistant, Cornering Brake Control (CBC), Dynamic Traction Control (DTC)
- Warning triangle and first aid kit
- M Sport Brakes with 374mm front brake disc

Driver assistance

- BMW Head-Up Display
- BMW Gesture Control
- BMW Display Key
- Driving Assistant Professional, incl. Active Cruise Control with Stop&Go function, Cross traffic warning on the front & rear, Steering & Lane Control Assistant, Lane keeping assistant with Side Collision Warning, Crossroads warning and Evasion Aid
- Parking Assistant Plus, incl. Parking Assistant with Active Park Distance Control rear, Reversing Assistant, Surround View, Panorama View, 3D View
- Speed limiter
- Speed Limit Info

GENUINE BMW SERVICE.

When you buy a BMW, you can look forward to superb service and comprehensive customer care, with a network of dealerships Australia-wide ready to assist you at any time.

The intelligent BMW Condition Based Servicing (CBS) system monitors the individual components of your vehicle's service requirements and notifies you in advance when a service is due. In conjunction with BMW Teleservices, your vehicle then sends all relevant servicing data captured by CBS directly to your preferred BMW dealer.

Using the latest sophisticated BMW diagnostic tools, you can rest assured that your BMW will receive the highest level of attention from specialist BMW-trained technicians using only Genuine BMW Parts.

BMW SERVICE INCLUSIVE PACKAGES.

Your BMW service experience can also extend to a BMW Service Inclusive package, which covers your scheduled servicing costs for a specified duration or distance (whichever comes first) in a single, once-off advance payment.

BMW Service Inclusive Terms & Conditions apply and can be viewed online at bmw.com.au/serviceinclusive. Package term expiry is based on the time from date of first registration or mileage travelled, whichever occurs first. Packages applicable to vehicles under 12 months from date of first registration and prior to first service. Scheduled servicing based on the vehicle's Condition Based Servicing monitoring system and normal wear and tear and other exclusions apply. Scheduled servicing must be conducted by an authorised BMW Dealer. [†]Service items only applicable to petrol model vehicles. ⁺Wear and tear items only eligible for Service Inclusive Plus packages if worn by normal use. [~]BMW Service Inclusive (BSI) Basic for 5 years / 80,000km included on all new BMW 7 & 8 Series models. ^{*}Upgrade price from BSI Basic 5 years / 80,000km to BSI Plus 5 years / 80,000km. Pricing applicable to current generation models only. Pricing for other BMW models available separately. Pricing includes GST.

BMW DRIVING EXPERIENCE.

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you.

If you've ever wondered what an Ultimate Driving Machine is capable of, this is the Ultimate test-drive.

BMW Driving Experience was introduced in 1977, the first of its kind initiated by an automotive manufacturer to improve the skills, reactions and awareness of drivers.

Today more than ever, the program offers drivers a positive, exhilarating experience, along with an excellent education and an enthralling opportunity to accelerate their driving abilities. This is all conducted behind the wheel of a dynamic range of Ultimate Driving Machines.

1. BMW COMPACT DRIVING EXPERIENCE

A half day taster of the BMW Driving Experience courses.

2. BMW ADVANCE 1 DRIVING EXPERIENCE

An exciting introduction into performance driving, the one day course simulates unforeseen oversteer & understeer experiences, ideal driving lines and emergency braking.

3. BMW ADVANCE 2 DRIVING EXPERIENCE

After completing our Advance 1 course, drivers can take their skills to another level with this high-performance course designed to test their ability to the fullest.

The aim of the program is to enhance each participant's driving ability by developing attitudes and skills through a structured sequence of courses. Each course takes participants through an increasingly challenging mix of low and high speed driving exercises, that help them respond effectively in emergency situations and become progressively more confident, safe and enthusiastic drivers.

BMW Driving Experience offers a range of courses which are conducted at Australia's leading facilities, including the world renowned Phillip Island Grand Prix Circuit. All BMW Driving Experience courses are supervised by highly-trained instructors.

To find out more about BMW Driving Experience courses and dates, please call 1800 000 269 or visit www.bmwdrivingexperience.com.au

BMW FINANCIAL SERVICES.

BMW Financial Services puts drivers first. We work with you to understand your needs and develop solutions to get you into your Ultimate Driving Machine sooner. Each BMW dealership has a dedicated Business Manager ready to help make the joy of driving a BMW possible.
