

This Target Market Determination (**TMD**) applies to the Consumer Loan (**Product**) detailed in the loan documents listed in Appendix 1 (**T&Cs**). The Product is issued by BMW Australia Finance Limited ABN 78 007 101 715 AFS Licence No. 392387 (**Issuer**).

The purpose of this TMD is to describe the class of consumers for which the Product has been designed, having regard to the key attributes and the needs, objectives and financial situation of that class of customers (**Target Market**). Examples used in this TMD are illustrative only and are not intended to be exhaustive.

This TMD is not intended to provide any financial product advice and does not consider any individual customer's personal needs, objectives or financial situation.

This TMD is not to be treated as a full summary of the Product's terms and conditions and does not replace the T&Cs or any other supplementary documents in relation to the Product. A customer should refer to the T&Cs or any other supplementary documents before making a decision about the Product.

A customer may fall within the Target Market but may not meet the Issuer's lending criteria on application. For further information about the Product, go to bmw.com.au/consumerloan.

1. TARGET MARKET.

The Product is a credit contract and has been designed for consumers who require credit to assist in the purchase of a motor vehicle or motorcycle, whether new, demonstrator or used (**Vehicle**) for use wholly or predominantly for personal, domestic or household purposes (**Private Use**).

The Product is designed for customers in the Target Market whose likely needs, objectives and financial situation (as listed below) are aligned with the Product (including the key attributes and eligibility criteria as listed below).

PRODUCT DESCRIPTION (INCLUDING KEY ATTRIBUTES).

Key Attributes

- Fixed term loan of between 12 and 60 months with repayments of principal and interest by monthly instalments.
- Fixed interest rate during the loan term.
- Certain credit fees and other charges may be payable (including, but not limited to, government charges, set-up and early termination fees).
- Customer owns the Vehicle. The Issuer holds a security interest over the Vehicle.
- Customers must take out comprehensive insurance coverage over the Vehicle for the loan term and specify the Issuer as the interested party.

Attributes (Optional)

- Customers may select or be required to provide a deposit.
- Customer may pay out the loan contract early, subject to an early termination fee.
- The Product may be structured to include a residual value balloon payment at the end of the loan term.
- The customer may sell the motor vehicle at the end of the loan term to the Issuer for the residual value balloon amount, subject to T&Cs. These T&Cs include, but are not limited to, the vehicle condition and kilometres travelled. Fees may be payable on return.

Key Eligibility Criteria

- Customer must be able to service the loan repayments without hardship.
- Vehicle finance may only be for the purchase of a motor vehicle for Private Use on the road.
- Customer must be willing to grant a first ranking security interest over the Vehicle.
- The Vehicle must be purchased from a Distributor.
- Customer must meet the Issuer's lending criteria.
- Customer must be aged 18 years or over.
- The Vehicle must be used for Private Use.

Exclusions

 New customers must not be an undischarged or discharged bankrupt. Existing customers must not be an undischarged bankrupt.

Limitations

 The Vehicle must be used, maintained and stored in accordance with the Issuer's requirements including use in accordance with normal use for which the Vehicle was designed and manufactured and in accordance with applicable laws.

LIKELY NEEDS, OBJECTIVES AND FINANCIAL SITUATION OF CUSTOMERS IN THE TARGET MARKET.

The Product is designed for:

LIKELY NEEDS AND OBJECTIVES.

Customers that:

- need an amount of credit to assist in the purchase of a Vehicle from a Distributor;
- want to use the Vehicle for Private Use:
- want to repay principal and interest amounts by monthly instalments over the contracted loan term;
- are able to make the principal and the interest repayment as and when they fall due;
- are able to pay the associated credit fees and other charges;
- are able to provide the deposit amount or other security for the amount of credit;
- are able to maintain the mandatory comprehensive insurance coverage over the loan term;
- may want to pay higher instalments during the loan term to reduce overall interest costs with no residual value amount payable at the end of the loan term;
- may want to reduce the monthly instalments during the loan term by paying a higher payment (residual value amount) at the end of the loan term; and
- may want the ability to return the Vehicle at the end of the loan term without the need to pay any residual value amount.

LIKELY FINANCIAL SITUATION.

Customers that are able to repay the principal and interest amounts over the contracted loan term and, where a balloon is selected, are able to pay any residual value amount (or balloon) at the end of the loan term.

Customers that are not undischarged or discharged bankrupts.

Customers:

- that need an amount of credit to purchase a Vehicle from anyone who is not a Distributor approved by the Issuer;
- who need business finance, because of the less advantageous tax deductibility of expenses relative to leases:
- that need an amount of credit to assist with the purchase of an item that is not a Vehicle;
- for which the Product is assessed as unsuitable;
- that are less than 18 years of age;
- that do not meet the Issuer's eligibility and lending criteria;
- that want to use the Vehicle for business use; and
- that want to use, maintain or store the Vehicle in a manner that does not meet the Issuer's requirements, including but not limited to where customers want to use the Vehicle for a purpose that is not in accordance with normal use for which the Vehicle was designed and manufactured, or want to use or operate the Vehicle for any illegal purpose or in breach of applicable laws.

CONSISTENCY BETWEEN TARGET MARKET AND THE PRODUCT.

The Issuer critically assessed and tested the Product to ensure consistency between the Target Market and the Product. It has done so by considering its purpose, past outcomes, likely future outcomes and refining the Target Market or Product. Based on this assessment, the Product is likely to be consistent with the needs, objectives and financial situation of customers in the Target Market.

2. DISTRIBUTION.

DISTRIBUTION CHANNELS.

The Product may be distributed through any of the following means:

- Online platforms operated by the Issuer; and
- In-store at dealerships authorised by the Issuer (i.e. Distributors). The Issuer requires all Distributors be accredited to distribute the Product.

These channels are monitored by the Issuer and staffed by persons who have been trained in the distribution of the Product and the Application Process.

DISTRIBUTION CONDITIONS AND RESTRICTIONS.

The Product can only be issued to customers that are eligible for the Product in accordance with the Issuer's eligibility and lending criteria (which includes an assessment that the Product is not unsuitable), that has been approved in writing by the Issuer and that complies with the law (**Application Process**). The Product can be distributed either directly by the Issuer or by authorised dealers (or distributor(s)) approved by the Issuer (**Distributor**).

The Application Process requires identification of whether the customer is in the Target Market as part of the eligibility and lending criteria for the Product.

Distributors are subject to strict obligations and their systems and processes are assessed and monitored by the Issuer and therefore either the direct distribution by the Issuer or distribution by Distributors will make it likely that the distribution of the Product will be directed towards the Target Market for whom the Product has been designed.

REPORTING AND MONITORING OF DISTRIBUTION INFORMATION.

The Issuer requires all Distributors to provide the following information in relation to their distribution of the Product covered by this TMD. In addition to other purposes, this information will assist the Issuer to identify promptly when a TMD may no longer be appropriate.

Complaints	All complaints in relation to this TMD are provided to the Issuer on at least a quarterly basis unless the Issuer has requested a Distributo to report more frequently. This will include written details of the complaints.
Sales data	Relevant sales and customer data in relation to this TMD will be reviewed on a quarterly basis.
Significant dealings	Notification of all relevant details within 10 business days if a Distributor becomes aware of a significant dealing in relation to this TMD that is inconsistent with this TMD, including the following details
	 a material change to the proportion of customers who are not in the Target Market, including the proportion of customers who are part of a class that has been excluded from the Target Market acquiring the Product;
	 a material risk of actual or potential harm to customers, including financial loss, resulting from customers not in the Target Market acquiring the Product;
	 if there is an inconsistency between distribution of the Product with the Target Market;
	 a greater than anticipated proportion of gross income or premium obtained by the Distributor from the Product in respect of customers who are not in the Target Market acquiring the Product; and
	 the time period in which these acquisitions outside the Target Market occurred.
	Example: Customers that need an amount of credit to assist with the purchase of an item that is non-vehicle related or customers that would like to include a large amount of negative equity in their finance application.

OTHER.

In addition to the distribution conditions, restrictions and information set out above, the Issuer may include other conditions, restrictions and information on the distribution of the Product.

Any additional conditions and restrictions will be notified (in writing) to a Distributor.

3. TMD REVIEWS.

This TMD will be reviewed as follows:

First review	Within 12 months from the effective date of this TMD.
Subsequent reviews	At least every three years after the end of the previous review.
Review triggers	Where an event or circumstance is identified by the Issuer or is notified to the Issuer that would reasonably suggest the TMD is no longer appropriate. This may include (but not limited to):
	 a material change to the design or distribution of the Product, including related documentation;
	 occurrence of a significant dealing;
	 distribution conditions found to be inadequate;
	 external events such as adverse media coverage or regulatory attention;
	 significant changes in metrics, including, but not limited to, complaints, sales and early loan payouts;
	 a material alteration to eligibility or lending criteria or the Application Process;
	 identified systemic issues in the Product or the distribution of the Product;
	 relevant feedback, information or notification received from a Distributor, regulator such as ASIC or APRA or other interested parties; and
	 where there appears to be a significant dealing that is inconsistent with the TMD; to the extent these events or circumstances reasonably suggest the TMD is no longer appropriate.
	Where a review trigger has occurred, this Target Market Determination will be reviewed within 10 business days.

APPENDIX 1.

This TMD applies to the credit contract detailed in the following document: BMW and Motorrad General Conditions Booklet (BMWLCGM-04/19)

Effective date: 1 June 2022.
