Model Code: 7L12
8-speed Sport Steptronic
1,998 cc, 4-Cylinder
225 kW / 450 Nm

Fuel Type: Petrol
Consumption: 7.5 l / 100km¹
CO₂: 171 g / km¹
0-100kmh: 4.8 sec

M135i xDrive

Model Code: 7L12
8-speed Sport Steptronic
1,998 cc, 4-Cylinder
225 kW / 450 Nm

Fuel Type: Petrol
Consumption: 7.5 l / 100km¹
CO₂: 171 g / km¹
0-100kmh: 4.8 sec

¹ Fuel consumption, CO₂ emissions data, electrical consumption and range is based upon Combined Driving Test Cycle in accordance with ADR 81/02 on purpose built test vehicles. Actual figures will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's equipment, condition and use. These figures should not be expected to be achieved in real world driving conditions and should only be used for comparing one vehicle with another.

Please contact your preferred authorised BMW dealer or BMW Group Australia for information on vehicles that are available for sale, and the various specifications and options of vehicles that are available.

While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations and specifications contained in these materials are accurate at the time of publication (February 2022), the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with information from authorised BMW dealers. To the extent permitted by law, BMW Group Australia excludes all express and implied warranties or guarantees and all liability, whether direct, indirect, special or consequential, arising from negligence or otherwise relating to the use of these materials, any inaccuracies and for any non-compliance by any vehicle with any representation, illustration, specification, description, product feature, colour, or other information contained in these materials.

STANDARD EQUIPMENT.

118i M Sport Package

Model Code: 7K32

7-speed Double Clutch Steptronic

1,499 cc, 3-Cylinder

103 kW / 220 Nm

Fuel Type: Petrol

Consumption: 5.9 l / 100km¹

CO₂: 135 g / km¹

0-100kmh: 8.5 sec

Powertrain and technology

- TwinPower Turbo inline 3-cylinder petrol engine
- 7-speed Double Clutch, Steptronic
- Driving Experience Control, Sport, Comfort and ECO PRO modes
- Auto Start/Stop function
- Brake Energy Regeneration
- Brake-pad wear indicator
- Electric power steering with Servotronic
- Electromechanical parking brake with Hill Descent Control (HDC)
- Performance control, engine control and brake interventions during cornering for improved agility
- ARB technology (actuator contiguous wheel slip limitation) for considerably improved traction and noticeably more sensitive and faster interventions on the driven front axle.

Safety

- Attentiveness Assistant
- Airbags (6 in total), front airbags for driver and front passenger, side airbags integrated into outer backrest bolsters for driver and front passenger, head airbags in A-pillar and roof edge for all 4 outer seats.
- Central locking with electronic immobiliser
- Dynamic braking lights
- Dynamic Stability Control (DSC), Anti-lock Braking System (ABS) and Dynamic Traction Control (DTC)
- Warning triangle and first aid kit
- Tyre repair kit

Driver assistance

- Cruise Control with braking function
- Driving Assistant, incl. Lane Departure Warning, Lane Change Warning, Approach Control Warning with city-braking intervention, Rear Cross Traffic Warning, Rear Collision Prevention and Speed Limit Info
- Parking Assistant, incl. PDC front and rear, Rear View Camera, Reversing Assistant

Light and sight

- LED headlights
- LED fog lights, front
- Rear LED taillights
- Electric fold-in side mirrors
- Exterior side mirrors, heated and electrically adjustable with anti-dazzle function for driver side and auto-dipping function on passenger side
- Interior rear-view mirror with automatic anti-dazzle function
- Lights Package incl. Ambient interior lighting with 6 pre-defined selectable colours, Door handle lighting and BMW Logo projection on driver's side
- Rain sensor incl. automatic headlight activation and rear window wiper

Exterior design and equipment

- M Sport Package
- 18" M light alloy wheels Double-spoke style 819 M Bicolour (1RL)
- M Aerodynamics Package, incl. Kidney Grille frame in Chrome, Kidney Grille struts in satinised aluminium, rear bumper with Dark Shadow insert
- M High-gloss Shadow Line incl. window frame surround, Hoffmeister kink and exterior mirror cover base.
- Single exhaust tailpipe on left, 90mm diameter
- M Sport suspension, lowered by 10mm

Interior design, comfort and equipment

- Upholstery, Cloth-Sensatec combination, Black
- Interior trim finishers 'Illuminated Boston'
- M Headliner anthracite
- Aluminium door-sill finishers with 'M' designation
- M-Sport multifunction leather steering wheel
- Automatic air conditioning, single-zone incl. microfilter, black vent surrounds, black buttons
- Floor mats in velour
- Foldable rear seats with 60:40 split
- Front centre armrest with storage compartment
- Front cupholders
- Door storage compartments with bottle holders, front and rear
- Storage compartment package, incl. coin holder in instrument panel on driver's side, storage nets on driver and front passenger seat rests, 2 x USB C sockets (3A) in rear, 12V power socket in front centre console, 2 x hooks in rear storage compartment, folding floor insert and defined stowing area for parcel shelf
- Sport seats for driver and front passenger, with electro-pneumatic backrest width adjustment (driver's side only)

BMW ConnectedDrive

- Intelligent Emergency Call
- BMW TeleServices
- Wireless smartphone integration for Apple CarPlay and Android Auto
- Vehicles apps (News and Weather)*
- BMW Intelligent Personal Assistant*
- Caring Car* (only with 534 Automatic air conditioning)
- Remote Software Update*
- Connected Package Professional* incl. Remote Services*, Real Time Traffic Information (RTTI)* and Concierge Services*

*3 year subscription

Entertainment, communication and information

- BMW Live cockpit Professional with 10.25" instrument display and high-resolution (1920x720) 10.25" Control Display incl. navigation, touch display, iDrive Controller, natural voice control and USB Map Update*
- Stereo speaker system with 6 loudspeakers (100W)
- DAB+ radio
- Wireless Charging for smartphone in front storage tray ^, incl. Bluetooth connectivity for up to 2 smartphones

*3 year subscription

^This feature is temporarily unavailable due to production restrictions.

GENUINE BMW SERVICE.

When you buy a BMW, you can look forward to superb service and comprehensive customer care, with a network of dealerships Australia-wide ready to assist you at any time.

The intelligent BMW Condition Based Servicing (CBS) system monitors the individual components of your vehicle's service requirements and notifies you in advance when a service is due. In conjunction with BMW Teleservices, your vehicle then sends all relevant servicing data captured by CBS directly to your preferred BMW dealer.

Using the latest sophisticated BMW diagnostic tools, you can rest assured that your BMW will receive the highest level of attention from specialist BMW-trained technicians using only Genuine BMW Parts.

BMW SERVICE INCLUSIVE PACKAGES.

Your BMW service experience can also extend to a BMW Service Inclusive package, which covers your scheduled servicing costs for a specified duration or distance (whichever comes first) in a single, once-off advance payment.

BMW DRIVING EXPERIENCE.

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you.

If you've ever wondered what an Ultimate Driving Machine is capable of, this is the Ultimate test-drive.

BMW Driving Experience was introduced in 1977, the first of its kind initiated by an automotive manufacturer to improve the skills, reactions and awareness of drivers.

Today more than ever, the program offers drivers a positive, exhilarating experience, along with an excellent education and an enthralling opportunity to accelerate their driving abilities. This is all conducted behind the wheel of a dynamic range of Ultimate Driving Machines.

1. BMW COMPACT DRIVING EXPERIENCE

A half day taster of the BMW Driving Experience courses.

2. BMW ADVANCE 1 DRIVING EXPERIENCE

An exciting introduction into performance driving, the one day course simulates unforeseen oversteer & understeer experiences, ideal driving lines and emergency braking.

3. BMW ADVANCE 2 DRIVING EXPERIENCE

After completing our Advance 1 course, drivers can take their skills to another level with this high-performance course designed to test their ability to the fullest.

The aim of the program is to enhance each participant's driving ability by developing attitudes and skills through a structured sequence of courses. Each course takes participants through an increasingly challenging mix of low and high speed driving exercises, that help them respond effectively in emergency situations and become progressively more confident, safe and enthusiastic drivers.

BMW Driving Experience offers a range of courses which are conducted at Australia's leading facilities, including the world renowned Phillip Island Grand Prix Circuit. All BMW Driving Experience courses are supervised by highly-trained instructors.

To find out more about BMW Driving Experience courses and dates, please call 1800 000 269 or visit www.bmwdrivingexperience.com.au

IMMERSE YOURSELF IN THE WORLD OF BMW.
