

PARK YOUR BMW

**BMW
GROUP**

So that joy never stops, we have developed games for your time at home. For big and small and for all who love to play. Park your BMW is fun for everyone. But here you don't even have to go out into the street. Instead, you have to find out where your opponent has parked his BMW. Whoever discovers them all first is the winner. Simply print out a playing field for each player, place your BMWs on the coordinate system - without them touching! - protect your playing field from the prying eyes of your opponent and take turns guessing. Have fun!
